**Mobile COVID-19 Testing Sites Available in Tulare County Throughout October**

*County Announces Pop-up Testing Sites in October for Woodlake, Terra Bella, Lindsay, and Farmersville*

In collaboration with the California Department of Public Health, Tulare County health officials announced the availability of several COVID-19 mobile testing sites to provide community-based testing in rural and underserved communities of Tulare County. For the month of October, mobile COVID-19 testing will be available in the communities of Woodlake, Terra Bella, Lindsay, and Farmersville.

“In an effort to increase testing in our local communities as COVID-19 continues to spread throughout Tulare County, we encourage people experiencing symptoms or who believe they have been exposed to get tested for COVID-19,” stated Dr. Karen Haught, Tulare County Health Officer.

Officials strongly urge everyone to get tested for COVID-19; testing is free and available to anyone. If you are exhibiting COVID-19 symptoms, have been exposed, or believe you have been exposed, to someone who has tested positive for the virus, or you are an essential agriculture worker or health care worker, officials urge you to get tested. COVID-19 symptoms include: fever, shortness of breath, cough, runny nose, muscle aches, headache, fatigue, loss of taste or smell, diarrhea, and vomiting.

**Listed below are the mobile pop-up testing sites available in Tulare County for the month of October:**

**Friday, October 9**, at the **Woodlake Veterans Memorial Building** located at 355 N. Acacia St. in Woodlake. Open from 8:00 a.m. to 12:00 p.m. Appointment required. Make an appointment at: [projectbaseline.com/covid](https://projectbaseline.com/covid).

**Friday, October 16**, at the **Woodlake Veterans Memorial Building** located at 355 N. Acacia St. in Woodlake. Open from 8:00 a.m. to 12:00 p.m. Appointment required. Make an appointment at: [projectbaseline.com/covid](https://projectbaseline.com/covid).

**Friday, October 30**, at the **Woodlake Veterans Memorial Building** located at 355 N. Acacia St. in Woodlake. Open from 8:00 a.m. to 12:00 p.m. Appointment required. Make an appointment at: [projectbaseline.com/covid](http://projectbaseline.com/covid).

Widespread testing is critical in identifying and isolating those with the virus to prevent further spread, particularly as Tulare County strives to meet the State's Blueprint for Reopening metrics that enable schools and businesses to safely reopen.

Those interested in getting tested for COVID-19 can visit [www.covid19.tularecounty.ca.gov](http://www.covid19.tularecounty.ca.gov) for a full list of test collection sites within the county and surrounding areas. The web page also includes an interactive map for residents to find their nearest COVID-19 testing site location.

Residents can also get tested for COVID-19 at any one of Tulare County's community testing sites powered by OptumServe. Below is a list of OptumServe Community Testing locations in Tulare County and their hours of operation:

- **Tulare County Fairgrounds, Building One**, located at the corner Martin Luther King Ave. and K Street in Tulare. Open Monday – Friday from 8:00 a.m. to 8:00 p.m.
- **Dinuba Veterans Memorial Building**, located at 249 S. Alta Ave. in Dinuba. Open Monday – Friday from 7:00 a.m. to 7:00 p.m.
- **Porterville Veterans Memorial Building**, located at 1900 W. Olive Ave. in Porterville. Open Monday – Friday from 7:00 a.m. to 7:00 p.m.
